Mrs. Burke and Ms. Weiner

Second Grade Rocks!

WHAT HAVE WE BEEN LEARNING

• **Reading/Writing**

We are continuing to review and revisit concepts that we have learned. Things like asking and answering questions, nouns, main idea, endings, spelling, and so much more. This is a vital time of year as we are challenging students more to prepare for 3rd grade.

• **Math:**

We just finished up learning about counting money and telling time. We are now reviewing all math skills that have been learned throughout the year.

• **Science:**

We are finishing up our unit on the Water Cycle. There are many fun science experiments that we have been able to do.

• **Social Studies:**

We are going to be starting a new unit on goods and services, economics, and dealing with money. It should be a lot of fun for the students to build their own businesses.

Optimism is the faith that leads to achievement. Nothing can be done without hope and confidence.
Helen Keller

BrainyQuote

Hope
shines brightest
in the darkest moments
Never give up!

Can you believe it...we only have 2 1/2 weeks left in the school year before summer school starts? We are so close to the end, and now is more important than ever that students really focus on the learning. We are making sure to review material that students have previously learned in order to get ready for 3rd grade. Please continue helping with your student's homework, and checking their planners for notes. Thanks again in advance for all your support.

LET'S ROCK THE END OF 2nd GRADE!!

Save the Date

May 27, 28, 29
– Full Days of
School

June 3: Summer
School Starts.

EL ALL ACCESS

Websites/Newsletters at Home

We have jumped back into working more one-on-one with student and challenging their skills. It has been very rewarding to see how far the students have come in the school year. Keep up the good work!

Sincerely,
The EL Team

**Building Bridges
Together**

**** What ways can access the newsletter at home...**

- Go to allenvillageschool.com
- Click the tab that says newsletters
- Find your grade level and enjoy!

**** Visit some of the website below and see what they have to offer your student.**

- ixl.com
- mobymax.com
- abcya.com
- getepic.com

Please make sure to begin reading for 20 minutes every night with your student in order for them to become a more fluent reader. Ask them various questions in order to build their comprehension skills.

Counseling Corner

May Core Value: Hope/Optimism

In our daily lives, we always hope that things are going to happen that make life better or more enjoyable for ourselves. Sometimes those events deal with family, friends, or even within us. We have to continue having hope and optimism that things will turn out positive no matter what the situation is.

Challenge yourself to develop the skills of Hope/Optimism
