

WEEK OF OCTOBER 29

Mrs. Burke and Ms. Weiner

Second Grade Rocks!

Pumpkin Patch Field Trip

WHAT HAVE WE BEEN LEARNING

• **Reading/Writing**

We are continuing to learn about realistic fiction stories, commas, nouns (common and proper), short and long vowels, as well as finding key details in stories. We will be reading a variety of books to find character, setting and plot of a story, plus working in our reading centers too.

• **Math:**

We will be working more with place value, reading and writing numbers, plus reviewing all skills learned so far, this year. Students have been taking benchmarks to show us what they know and we are looping back to previous skills.

• **Science:**

We have been conducting some fun experiments on landforms, weathering and erosion, plus research projects. The kids love Science.

• **Social Studies:**

We are working on researching inventors/inventions. We are creating great projects.

We greatly appreciate each and every one of you coming out for TLC's. We hope that you really got a good glance at your student's progress. We have really loved seeing the work that they can do on a daily basis. Continue helping with your student's homework, spelling practice, and consistently checking their planners for notes. We can't wait to see the progress that will be made as we move into the coming weeks.

LET'S ROCK 2nd QUARTER!

Save the Date

Oct. 31 to
Nov. 2 --
NO
SCHOOL!!

November 16 –
Half Day of
School
Dismiss at noon.

November 19
to 23 – NO
SCHOOL
FALL
BREAK!!

EL ALL ACCESS

We have started working with you your students and love seeing what they have learned. We are really focusing on writing as well as blends and letter sounds. Keep working with your students at home too.

Sincerely,
The EL Team

**** Your EL Team Instructor:
Ms. Lowe:**

Counseling Corner

Gratitude

We have been focusing on expressing gratitude towards others. We really want the students to be able to show how and share how they are thankful. We have talked a lot about how to use kind words with our peers and the way that makes people feel. There are so many activities that we will be doing in relation to this.

Be looking to talk to your students about showing gratitude.

**REMEMBER TO CHECK YOUR STUDENT'S
PLANNER NIGHTLY!**

Websites/Newsletters at Home

**** Visit some of the website below and see what they have to offer your student.**

- ixl.com
- mobymax.com
- abcya.com
- getepic.com

Please make sure to begin reading for 20 minutes every night with your student in order for them to become a more fluent reader. Ask them various questions in order to build their comprehension skills.

**** While we hope, you enjoy your days off please make sure to continue working on reading and math skills at home. These websites are extremely useful.**
