## CLASSROOM NEWS

In Reading, students are practicing their reading in groups so that they can increase their comprehension and reading levels. They are also focusing on retelling what happened in a story, naming the characters, and the setting.

In Math, we are continuing to practice addition and subtraction skills. We will also be finding the missing number that makes ten.

\*\*Students enjoyed their trip to the Nelson Atkins Art Museum. They observed art and looked for different shapes in the art. They also created a collage using lines, colors, and shapes.
