4<sup>th</sup> Grade

Ms. Keener and Mrs. Ruiz

March 9 , 2017

## Reminders

Teacher Lead Conferences on March 15 from 12:30 until 8:00! Come anytime between these hours. No appointments. Children do not have to come to conferences.

Next, Wednesday, March 15<sup>th</sup>, is a half day of school! There is no school on March 16<sup>th</sup> or 17<sup>th</sup>.

## Math

We have been working hard on converting measurements of length, capacity, and weight.

We have started working on area and perimeter this week.

## Reading

We have been working on Compare and Contrast in Reading. The students are learning how to find objects that have characteristics that are the same and different. We also are reviewing cause and effect .

## Science & Social Studies

During Science we have been working on force and motion. We have also worked on simple machines. Your student has participated in experiments and group projects related to both of these things. In Social Studies all the fourth graders have learned a lot about our state. Recently, we've learned how the Civil War changed live in Missouri forever! We have also been studying the regions of the United States.

## Writing

All fourth graders have recently learned how to express their opinion in writing. They also understand how to edit their writing.

## Misc.

Students will have nightly homework in Reading and Math. Their homework is in their Practice Coach Plus books. These books need to be brought back each day.
