REMINDERS

Fieldtrip to Nelson Atkins Art Museum:

Kindergarten students will be going to the art museum on January 31st. We will be attending a workshop from 12:30-2:00. Parents are welcome to chaperone and it is a great way to earn volunteer hours. We will need 1-2 chaperones minimum. Parents can follow the bus or meet us at the museum. If you are interested in coming on the fieldtrip, please write a note in your child's planner or email your child's teacher as soon as possible.

CLASSROOM NEWS

Reading:

Students are working on predicting what will happen in a story using the cover, title, and pictures. They are recalling the ideas and details from a story, as well, as explaining the beginning, middle, and end. It helps to ask your child questions about books that you are reading together at home. In Writing, they are narrating stories about events they have experienced and continuing to grow in their sight word knowledge.

Math:

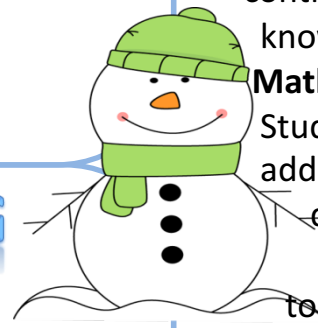

Students are beginning to write addition problems and practicing to quickly determine how to make numbers to 10. They are continuing to work on counting to 100, counting by tens, and counting backwards.

Science and Social Studies:

Topics of Study:

- *Force and Motion- how a push or a pull can affect the motion of an object.
- *The Sun and its affect on the Earth
- *Maps, Symbols and Positional Words
