

KINDERGART Ocean

EN'S March

In our classroom...

Language Arts

We are continuing reading groups and students are working on reading increasingly complex books. We are working on finding the main idea of nonfiction books and recalling details from them.

Math

Students are becoming more fluent with their addition and subtraction. They are practicing differentiating between addition and subtraction in word problems.

Social Studies/Science Topics

- *The power of the Sun
- *Economic Principles

Coming up next...

1. 3rd Quarter Parent Conferences: We look forward to meeting with you to discuss your student's progress and to set goals for the fourth and final quarter.
2. Chicks!!!!!! At the beginning of April, Kindergarten will get the opportunity to hatch chicks in the classroom! Our chick hatching project will run from April 2- April 12th! Get ready to hear all about it!

Upcoming Dates

March 8th

End of Quarter 3

March 14th-

½ day and Parent Conferences

March 15th

No School and Parent Conferences

Thank you for helping students make wonderful 100 day projects! We had a primary gallery walk! All classes K-2nd walked through each classroom and saw all the creative projects. The projects that are still being displayed at school will be coming home soon!
