

Happy Fall!

Parents please make sure you are checking agendas each night. Make sure you are aware of homework listed in the agenda and upcoming test! We will have our Fall Fitness Day on Wednesday, September 26. Students are able to wear appropriate athletic wear.

In Science, the students are learning about energy in motion. The 5th grade class will look at physical and chemical changes.

In Math, the students are working on place value, rounding decimals, and adding & subtracting whole numbers.

In Social Studies, the students are studying states and capitals in fourth grade and the Industrial Revolution in 5th grade.

In Reading, the students are writing autobiographies, narratives, and compare/contrast papers.
