Issue 1

The Start of a New Year

As we come to the end of the first month of school, we want to take the time to acknowledge the 7th Grade students who have had perfect attendance up to this point. It is important that each student is at school every day, and that they stay the whole day. Students fight a real uphill battle when they miss too many days of school. We need our students to be present on purpose.

Studies*

- I am looking forward to teaching a new subject this year.
- My goal for my Homerom is for us to stay on the P.A.T.H. (Pursuing Achievement Through Hardiness)

Goal Pushers

Reminders and Important Updates

- Students will receive their technology next week.
- Be on the lookout for Progress Reports the week of 09/11.
- Picture Day will be on 09/07.
- Homework days are Monday, Wednesday, and Thursday. Be sure to ask your student what they need to finish.
- Check the planner nightly.

Goals for 6th-12th

1. Excellent daily attendance.
2. Excellent listening skills, class participation, and completion of homework.
3. Excellent classroom behavior and following school rules.
4. Excellent habits of nightly reading.
5. Excellent test scores.
6. Excellent display of core values all year.

We need the help of parents as we try to do our part here at school. Ask your students daily how they are reaching their personal goals, as well as the ones listed above.
