Community Use of School Facilities

School facilities are available for community use when facilities are not required for instructional or administration purposes. Use of school facilities is subject to approval of the community group's application and is subject to conditions established by the Board as set forth in administrative regulations.

To the extent that school facilities are available for community use, such facilities will be open, under the same terms and conditions, to youth groups including but not limited to Boy Scouts, Girl Scouts, Big Brothers-Big Sisters of America, Boys and Girls Clubs of America, Little League Baseball and similar groups. When outside groups are permitted to use school facilities under this policy, Allen Village will not unlawfully discriminate against groups based upon a group's religious, political or philosophical content of the speech at such meetings.
