

GENERAL ADMINISTRATION

Allen Village/Community Relations

Policy 1440
(Regulation 1440)
(Form 1440)

Research Requests

Requests for research studies involving students and/or staff of Allen Village must be submitted to the Principal for approval. Any research utilizing human subjects must be authenticated by the sponsoring university. Written permission from parents of the students to be involved must also be obtained as well as approval of the principal.

Allen Village will provide UMKC with the necessary information and data to conduct research and make decisions to support and improve Charter Schools. Student privacy will be respected in all such matters.
